HONORING LIGHTING AS AN ART FORM

OUR MISSION

To create lighting and studio glass defining luxury and elegance in uniquely designed environments throughout the world.

ABOUT US

Fine Art Handcrafted Lighting is world-renowned for achieving high artistic standards in the creation of unique and original lighting designs of beautiful American studio glass, handcrafted metals and other unique materials with exquisite hand-applied finishes.

We offer a comprehensive customization program that is designed entirely around you. Whether your goal is to create unique pieces of artwork, or to modify any one of our thousands of existing products to your specifications, no custom project is too big, including site-specific custom installations. Our highly experienced and collaborative team of designers, engineers and artisans have delivered exceptional lighting solutions for some of the most beautiful and diverse commercial markets around the world.

We have made every effort to accurately represent the character of our finishes shown in this catalog, however, due to printing there may be variations. In addition, there may be variations in handmade finishes. To request a sample, please contact your Territory Manager or send an email to customerservice@finearthl.com. Fine Art Lamps®
